# Psychiatrická starostlivosť v SR 2006

Psychiatric care  
in SR 2006

Ročník 2007  
ZŠ-4/2007

## **Content**

Introduction .....	11
Evolution of bed fund indicators in domain of psychiatry, gerontopsychiatry and medicine of substance related addiction .....	13
Network of health facilities in domain of psychiatry, gerontopsychiatry and medicine of substance related addiction by counties .....	13
Outpatient units in psychiatric facilities .....	14
Activity of the specialists in outpatient units according to the number of examination .....	15
Review of outpatient protective treatment .....	15
Number of persons admitted to outpatient protective care by type of treatment in SR (graph) .....	16
Evolution of incidence of mental disorders in total (graph) .....	16
Number of patients first time examined in psychiatric outpatient units in the monitored year .....	17
Number of patients ever the first time examined in psychiatric outpatient units in the monitored year .....	19
Number of examinations in psychiatric outpatient units according to the diagnosis .....	21
Hospitalized patients in psychiatric facilities by gender, age, and territory .....	22
Hospitalized patients in psychiatric facilities by gender, age, and territory – not discharged in the monitored year .....	28
Hospitalized patients in psychiatric facilities by gender, diagnosis group, and territory – discharged in the monitored year .....	32
Hospitalized patients in psychiatric facilities by gender, diagnosis group, and territory – not discharged in the monitored year .....	36
Repeatedly hospitalized patients in psychiatric facilities by gender, period of previous hospitalization, and territory – discharged and not discharged in the monitored year .....	40
Hospitalized patients in psychiatric facilities by gender, period of hospitalization, and territory – discharged in the monitored year .....	42

Hospitalized patients in psychiatric facilities by gender, age, and territory – dead in the monitored year .....	44
Hospitalized patients in psychiatric facilities by gender, age, and territory – dead in the monitored year .....	46
Hospitalized patients in psychiatric facilities by age, gender, and diagnosis group – discharged and not discharged in the monitored year .....	50
Hospitalized patients first time in life and first time in year in psychiatric facilities by age, gender, and diagnosis group .....	52
Hospitalized patients in psychiatric facilities by diagnosis group, gender, and admission .....	54
Repeatedly hospitalized patients in psychiatric facilities by diagnosis group, gender, and period from previous hospitalization .....	55
Contact with this health facility of hospitalized patients in psychiatric health facilities by groups of diagnoses, and gender .....	56
Hospitalized patients in psychiatric facilities by gender, diagnosis group, and territory of permanent residence – at the age till 15 .....	58
Hospitalized patients in psychiatric facilities by gender, diagnosis group, and territory of permanent residence – at the age from 15 to 17 .....	62
Hospitalized patients in psychiatric facilities by gender, diagnosis group, and territory of permanent residence – at the age from 18 to 59 .....	66
Hospitalized patients in psychiatric facilities by gender, diagnosis group, and territory of permanent residence – at the age of 60 and more .....	70
Working status of hospitalized patients in psychiatric health facilities first time at all, and first time in monitored year by gender and age groups .....	74
Working status of hospitalized patients in psychiatric health facilities first time at all, and first time in monitored year by gender and groups of psychiatric diagnoses .....	76
Hospitalized patients in psychiatric facilities ever first time and first time in the monitored year by the family status, gender, and age groups .....	78
Hospitalized patients in psychiatric facilities ever first time and first time in the monitored year by the family status, gender, and diagnosis groups .....	79
Hospitalized patients in psychiatric facilities ever first time and first time in the monitored year by the education level, gender, and age groups .....	80
Hospitalized patients in psychiatric facilities ever first time and first time in the monitored year by the education level, gender, and diagnosis groups .....	82
Care (psychiatric) after discharge/transfer of hospitalized patients with organic mental diseases including symptoms (F00 – F09) in psychiatric health facilities by gender in territorial split of health facility .....	84

Care (psychiatric) after discharge/transfer of hospitalized patients with mental and behavioral disorders caused by use (usage) of alcohol (F10) in psychiatric health facilities by gender in territorial split of health facility .....	88
Care (psychiatric) after discharge/transfer of hospitalized patients with mental and behavioral disorders caused by use (usage) of psychoactive substances (F11 – F19) in psychiatric health facilities by gender in territorial split of health facility .....	94
Care (psychiatric) after discharge/transfer of hospitalized patients with schizophrenia, schisotypal and delusional disorders (F20 – F29) in psychiatric health facilities by gender in territorial split of health facility .....	100
Care (psychiatric) after discharge/transfer of hospitalized patients with mood [affective] disorders (F30 – F39) in psychiatric health facilities by gender in territorial split of health facility .....	104
Care (psychiatric) after discharge/transfer of hospitalized patients in psychiatric health facilities by gender in psychiatric health facilities by groups of psychiatric diagnoses and gender .....	108
Hospitalized patients in psychiatric facilities by diagnosis groups, gender, lenght of stay discharged in the monitored year .....	110
Care (psychiatric) after discharge/transfer of hospitalized patients in psychiatric health facilities discharge/transfer and gender .....	111
Hospitalized patients in psychiatric facilities of Ministry of Justice SR by age groups, gender, and diagnosis groups .....	113
Hospitalized patients in psychiatric facilities of Ministry of Defenseby SR age groups, gender, and diagnosis groups .....	115
Verbal expression of diagnoses (ICD-10) used in publication .....	117
Codes of regions SR .....	118

## **Introduction**

*The publication gives complex information on bed fund and network in psychiatric, gerontopsychiatric facilities, and those of drug addiction medicine.*

*Basis for processing statistical data listed in the publication were Annual report on activity of psychiatric outpatient units A (MZ SR) 4-01, Annual report on activity of psychiatric hospital department and psychiatric sanatorium L (MZ SR) 9-01, and Statistical leaflet of a patient admitted to institutional care in a psychiatric facility ZS (MZ SR) 1-12.*

*Publication contains processed statistical data on activity of psychiatric outpatient units by number of examinations, by number of first examinations, on protective treatment, and patient administration.*

*Overview on hospitalized patients in psychiatric facilities liable to Ministry of Health, Ministry of Justice, and Ministry of Defense SR, having a reporting duty, are placed in tables No. 13 – 39. Table No. 40 contains an overview on hospitalized patients in psychiatric facilities liable to Ministry of Justice SR and table No. 41 presents overview on hospitalized patients in facilities underlying Ministry of Defense SR.*

*Psychiatric care in 2006 was supplied by institutional facilities and 372 psychiatric outpatient units. Bed fund in domain of psychiatry, gerontopsychiatry and medicine of drug addictions represented 4 514 beds, utilized up to 76,9 %. One physician post corresponds 15,5 bed, and average length of stay was 32,0 days.*

*Number of physician posts in 2006 in institutional facilities was 292,14, in outpatient facilities we registered 303,57 physician posts. 1 615 105 examinations were executed in outpatient units, out of which majority – 354 929 - went to affective disorders (F30 – F39).*

**VÝVOJ UKAZOVATEĽOV POSTEĽOVÉHO FONDU V ODBORE PSYCHIATRIA,  
GERONTOPSYCHIATRIA A MEDICÍNA DROGOVÝCH ZÁVISLOSTÍ**
